All children will have many exciting experiences in the Art, Music, Cooking from different continents while they are immersed in their target language. Students will get familiar with the globe, the continents, countries, flags and also cultures around the world through Art, Music, Movement, sensory activities and cooking.

Our little ones will spend a minimum of 45 minutes in the Sensory Experience area and we will all continue taking care of our Guinea pigs and garden this summer.

All our students will start their summer program at 9:00 am with the drop off time being between 8:50 and 9:00 am and pick up time for all half day students will be from 12:00 to 12:10 am. Students staying all day would need to bring a snack as well as a lunch. Our Half day students need to bring just a snack.

Our school is a nut free school! Please do not send any snacks or foods with any nuts including no almonds and no sesame seeds /hummus either I am afraid. Please make sure that the energy bars you send are not made in facilities where they could have been contaminated with nuts of any sort.

Please label your child's sandwich if he/she has a sunflower seed butter sandwich or the hummus dish.

Please make sure you do not send sweets nor sugary snacks/ juices and chocolate either.

Younger students (ages 2-4) staying all day are encouraged to bring their own pillow and small blanket for the 30 minute rest time or nap time for our younger students.

It gets cool in our snack area even in the summer☺ Please send a light sweater. Make sure that you label all your child's belongings. We encourage the children to keep all belongings including their sweaters in their backpacks.

Please let me know if you have any questions.

Sincerely,

Lena Sisson
